VITAL
TRUSTEES' ANNUAL REPORT
FOR THE YEAR ENDED 31 AUGUST 2010

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trustees present their report together with financial statements for the year ending 31st August 2010. The financial statements comply with charity law, the Charity's Trust Deed and the Statement of Recommended Practice – Accounting and Reporting by Charities published 2005.

The Charity was formed under its Trust Deed dated 28 October 2007. The Charity was registered with the Charity Commission in England and Wales on 8 November 2007.

The Trust deed provides that the minimum number of Trustees will be three. The Trustees may appoint such additional persons as they in their discretion consider suitable to be Trustees. In selecting individuals for appointment as Trustees, the Trustees must have regard to skills, knowledge and experience needed for the effectiveness administration of the Charity.

OBJECTIVES AND ACTIVITIES

Under its Trust Deed the Trustees shall hold the trust fund and its income upon trust and to apply it with special and primary focus on children in developing countries, starting with India to promote and protect good health, to relieve sickness, to advance education and to relieve poverty and to support such other general charitable purposes as the Trustees from time to time determine.

ACHIEVEMENTS AND PERFORMANCE

Developments of VITAL

The Board remains committed to VITAL'S vision of a world where no child suffers the injustice of poverty. With growing interest from the public we hope to stimulate and eventually generate revenue to increase the number of projects we fund.

We will aim not only to increase the numbers of beneficiaries but will identify and exploit opportunities for partnership and revenue generation. The Board will review options on phases and fundraising proposals as they emerge.

FINANCIAL REVIEW

With the support of Westrock Limited and the Neuman Foundation, the sustainability of the Charity's income is ensured allowing VITAL to sponsor various projects. Donations, voluntary income and income from sales of merchandise have been allocated towards projects.

During the year the Charity has benefited from the following non monetary contributions, which have not been recognised in the financial statements:

- Costs of VITAL merchandise i.e. tee and sweatshirts and shopping bags borne by the Neuman Foundation.
- Costs of administration, advertising and brochures borne by Westrock Limited.
- Costs of accountancy and independent examination borne by BJ Dixon Walsh Ltd.

VITAL USA provided an overnight beach trip and day at the WaterPark for the children in the schools VITAL supports.

RISK MANAGEMENT

In today's climate for the voluntary sector, the greatest risk for many charities is insufficient income generation on a regular and predictable basis. VITAL is fortunate to have the backing of Westrock Limited and the Neuman Foundation to continue in perpetuity in its mission of the sustainable development of the children living on the streets of Calcutta.

RESERVES POLICY

Reserves are maintained at a level to ensure they are sufficient to meet the day to day running costs of the Charity.

PLANS FOR FUTURE PERIODS

The Board has a clear strategy in place to achieve greater national and international presence, linking directly to a focus on infrastructure, people and services. This will ensure the sustainability of the Charity's income and minimise the risk of any imbalance between income and operating costs.

The Board remains unanimously satisfied that this strategy is entirely appropriate to enable VITAL's real potential to be achieved and support a sustainable and balanced relationship between income and costs in a highly competitive environment.

This report was approved by the Trustees on 3 May 2011 and is signed on their behalf by:

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF VITAL

FOR THE YEAR ENDED 31 AUGUST 2010

I report on the accounts of the Trust for the year to 31 August 2010, which are set out on pages 6 to 11.

Respective responsibilities of trustees and examiner

The Charity's Trustees are responsible for the preparation of the accounts. The Charity's Trustees consider that an audit is not required for this year under section 43(2) of the Charities Act 1993 (the 1993 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 43(2)(a) of the 1993 Act;
- to follow the procedure laid down in the General Directions given by the Charity Commissioners under section 43(7)(b) of the 1993 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. Which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with s41 of the 1993 Act; and
 - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 1993 Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable proper understanding of the accounts to be reached.
